Employer includes an individual, a corporation, a partnership, an association, a business trust, a nonprofit organization, a group of persons, the state of Minnesota, a county, town, city, school district, or other governmental subdivision. In the case of an individual provider within the meaning of section 256B.0711, subdivision 1, paragraph (d), the employer includes any participant within the meaning of section 256B.0711, subdivision 1, paragraph (e), or participant's representative within the meaning of section 256B.0711, subdivision 1, paragraph (f). In the event that a temporary employee is supplied by a staffing agency, absent a contractual agreement stating otherwise, that individual shall be an employee of the staffing agency for all purposes of section 177.50 and sections 181.9445 to 181.9448. Employer does not include the United States government.

Sec. 3. Minnesota Statutes 2024, section 181.9446, is amended to read:

181.9446 ACCRUAL OF EARNED SICK AND SAFE TIME.

(a) An employee accrues a minimum of one hour of earned sick and safe time for every 30 hours worked up to a maximum of 48 hours of earned sick and safe time in a year. Employees may not accrue more than 48 hours of earned sick and safe time in a year unless the employer agrees to a higher amount.

(b)(1) Except as provided in clause (2), employers must permit an employee to carry over accrued but unused sick and safe time into the following year. The total amount of accrued but unused earned sick and safe time for an employee must not exceed 80 hours at any time, unless an employer agrees to a higher amount.

(2) In lieu of permitting the carryover of accrued but unused sick and safe time into the following year as provided under clause (1), an employer may provide an employee with earned sick and safe time for the year that meets or exceeds the requirements of this section that is available for the employee's immediate use at the beginning of the subsequent year as follows: (i) 48 hours, if an employer pays an employee for accrued but unused sick and safe time at the end of a year at the same base rate as an employee earns from employment and in no case at a rate less than that provided under section 177.24 or an applicable local minimum wage; ~~or~~ (ii) 80 hours, if an employer does not pay an employee for accrued but unused sick and safe time at the end of a year; or (iii) upon initial employment, an employer providing sick and safe time under item (i) or (ii) may prorate sick and safe time amounts for an employee based on full- or part-time work for the remainder of that year.

(c) Employees who are exempt from overtime requirements under United States Code, title 29, section 213(a)(1), as amended through January 1, 2024, are deemed to work 40 hours in each workweek for purposes of accruing earned sick and safe time, except that an employee whose normal workweek is less than 40 hours will accrue earned sick and safe time based on the normal workweek.

(d) Earned sick and safe time under this section begins to accrue at the commencement of employment of the employee.

(e) Employees may use earned sick and safe time as it is accrued.

Sec. 4. Minnesota Statutes 2024, section 181.9447, subdivision 2, is amended to read:

Subd. 2. **Notice.** An employer may require notice of the need for use of earned sick and safe time as provided in this paragraph. If the need for use is foreseeable, an employer may require advance notice of the intention to use earned sick and safe time but must not require more than seven days' advance notice. If the need is unforeseeable, an employer may require an employee to give notice of the need for earned sick and safe time as ~~soon as practicable~~ reasonably required by the employer. An employer that requires notice of the need to use earned sick and safe time in accordance with this subdivision shall have a written policy containing reasonable procedures for employees to provide notice of the need to use earned sick and safe time, and shall provide a written copy of such policy to employees. If a copy of the written policy has not been provided to an employee, an employer shall not deny the use of earned sick and safe time to the employee on that basis.

Sec. 5. Minnesota Statutes 2024, section 181.9447, subdivision 3, is amended to read:

Subd. 3. **Documentation.** (a) When an employee uses earned sick and safe time for more than ~~three~~ two consecutive scheduled work days, an employer may require reasonable documentation that the earned sick and safe time is covered by subdivision 1.

receive services from a health care professional, or if documentation cannot be obtained from a health care professional in a reasonable time or without added expense, then reasonable documentation for the purposes of this paragraph may include a written statement from the employee indicating that the employee is using or used earned sick and safe time for a qualifying purpose covered by subdivision 1, clause (1), (2), (5), or (6). The employer may require documentation at such time that reasonable documentation is available if it is not available in a reasonable amount of time initially.

(c) For earned sick and safe time under subdivision 1, clause (3), an employer must accept a court record or documentation signed by a volunteer or employee of a victims services organization, an attorney, a police officer, or an antiviolence counselor as reasonable documentation. If documentation cannot be obtained in a reasonable time or without added expense, then reasonable documentation for the purposes of this paragraph may include a written statement from the employee indicating that the employee is using or used earned sick and safe time for a qualifying purpose covered under subdivision 1, clause (3).

Sec. 6. Minnesota Statutes 2024, section 181.9447, subdivision 4, is amended to read:

Subd. 4. **Replacement worker.** For earned sick and safe time use that is unforeseeable, an employer may not require, as a condition of an employee using earned sick and safe time, that the employee seek or find a replacement worker to cover the hours the employee uses as earned sick and safe time. This subdivision does not prohibit an employee from voluntarily seeking or trading shifts with a replacement worker to cover the hours the employee uses as earned sick and safe time.

Sec. 7. Minnesota Statutes 2024, section 181.9448, subdivision 1, is amended to read:

Subdivision 1. **Effect on more generous sick and safe time policies.** (a) Nothing in sections 181.9445 to 181.9448 shall be construed to discourage employers from adopting or retaining earned sick and safe time policies that meet or exceed, and do not otherwise conflict with, the minimum standards and requirements provided in sections 181.9445 to 181.9448. ~~All paid time off and other paid leave made available to an employee by an employer in excess of the minimum amount required in section 181.9446 for absences from work due to personal illness or injury, but not including short term or long term disability or other salary continuation benefits, must meet or exceed the minimum standards and requirements provided in sections 181.9445 to 181.9448, except for section 181.9446. For paid leave accrued prior to January 1, 2024, for absences from work due to personal illness or injury, an employer may require an employee who uses such leave to follow the written notice and documentation requirements in the employer's applicable policy or applicable collective bargaining agreement as of December 31, 2023, in lieu of the requirements of section 181.9447,~~

~~subdivisions 2 and 3, provided that an employer does not require an employee to use leave accrued on or after January 1, 2024, before using leave accrued prior to that date.~~

(b) Nothing in sections 181.9445 to 181.9448 shall be construed to limit the right of parties to a collective bargaining agreement to bargain and agree with respect to earned sick and safe time policies or to diminish the obligation of an employer to comply with any contract, collective bargaining agreement, or any employment benefit program or plan that meets or exceeds, and does not otherwise conflict with, the minimum standards and requirements provided in this section.

(c) Nothing in sections 181.9445 to 181.9448 shall be construed to preempt, limit, or otherwise affect the applicability of any other law, regulation, requirement, policy, or standard that provides for a greater amount, accrual, or use by employees of paid sick and safe time or that extends other protections to employees.

(d) Nothing in sections 181.9445 to 181.9448 shall be construed or applied so as to create any power or duty in conflict with federal law.

(e) Employers who provide earned sick and safe time to their employees under a paid time off policy or other paid leave policy that may be used for the same purposes and under the same conditions as earned sick and safe time, and that meets or exceeds, and does not otherwise conflict with, the minimum standards and requirements provided in sections 181.9445 to 181.9448 are not required to provide additional earned sick and safe time.

(f) The provisions of sections 181.9445 to 181.9448 may be waived by a collective bargaining agreement with a bona fide building and construction trades labor organization that has established itself as the collective bargaining representative for the affected building and construction industry employees, provided that for such waiver to be valid, it shall explicitly reference sections 181.9445 to 181.9448 and clearly and unambiguously waive application of those sections to such employees.

(g) The requirements of section 181.9447, subdivision 3, may be waived for paid leave made available to an employee by an employer for absences from work in excess of the minimum amount required in section 181.9446 through a collective bargaining agreement with a labor organization that has established itself as the collective bargaining representative for the employees, provided that for such waiver to be valid, it shall explicitly reference section 181.9447, subdivision 3, and clearly and unambiguously waive application of that subdivision to such employees.

(h) An individual provider, as defined in section 256B.0711, subdivision 1, paragraph (d), who provides services through a consumer support grant under section 256.476, consumer-directed community supports under section 256B.4911, or community first services and supports under section 256B.85, to a family member who is a participant, as defined in section 256B.0711, subdivision 1, paragraph (e), may individually waive the provisions of sections 181.9445 to 181.9448 for the remainder of the participant's service plan year, provided that the funds are returned to the participant's budget. Once an individual provider has waived the provisions of sections 181.9445 to 181.9448, they may not accrue earned sick and safe time until the start of the participant's next service plan year.

(i) Sections 181.9445 to 181.9448 do not prohibit an employer from establishing a policy whereby employees may donate unused accrued sick and safe time to another employee.

(j) Sections 181.9445 to 181.9448 do not prohibit an employer from advancing sick and safe time to an employee before accrual by the employee."

A provider participating in the hospital directed payment program must not receive a directed payment under this section for any provider classes paid via the hospital directed payment program. A hospital subject to this section must notify the commissioner in writing no later than 30 days after enactment of this subdivision of its intention to participate in the hospital directed payment program under section 256B.1974.

EFFECTIVE DATE. (a) This section is effective on the later of January 1, 2026, or federal approval of all of the following:

(1) this section;

(2) the amendments in this act to add Minnesota Statutes, section 256.9657, subdivision 2b; and

(3) the amendments in this act to Minnesota Statutes, section 256B.1974.

(b) The commissioner of human services shall notify the revisor of statutes when federal approval for all amendments set forth in paragraph (a) is obtained.

Sec. 3. **[256B.1974] HOSPITAL DIRECTED PAYMENT PROGRAM.**

Subdivision 1. **Definitions.** (a) For the purposes of this section, the following terms have the meanings given.

(b) "Health plan" means a managed care plan or county-based purchasing plan that is under contract with the commissioner to deliver services to medical assistance enrollees under section 256B.69.

(c) "Hospital" means a hospital licensed under section 144.50.

Subd. 2. **Federal approval required.** The hospital directed payment program is contingent on federal approval and must conform with the requirements for permissible directed managed care organization expenditures under section 256B.6928, subdivision 5.

Subd. 3. **Commissioner's duties; state-directed fee schedule requirement.** (a) For each federally approved directed payment program that is a state-directed fee schedule requirement the commissioner must determine a quarterly payment amount to be submitted by a hospital to a health plan. The commissioner must determine the quarterly payment amount using the average commercial payer rate, or using another method acceptable to the Centers for Medicare and Medicaid Services if the average commercial payer rate is not approved, minus the amount necessary for the plan to satisfy assessment liabilities under sections 256.9657 and 297I.05 attributable to the directed payment program. The commissioner must ensure that the application of the quarterly payment amounts maximizes the allowable directed payments and does not result in payments exceeding federal limits. The commissioner may use an annual settle-up process. The directed payment program must be specific to each health plan and prospectively incorporated into capitation payments for that plan.

(b) For each federally approved directed payment program that is a state-directed fee schedule requirement, the commissioner must develop a plan for the initial implementation of the state-directed fee schedule requirement to ensure that hospitals receive the entire permissible value of the federally approved directed payment. If federal approval of a directed payment under this subdivision is retroactive, the commissioner must make a onetime pro rata increase to the quarterly payment amount and the initial payments to include claims submitted between the retroactive federal approval date and the period captured by the initial payments.

(c) Directed payments under this section must only be used to supplement, and not supplant, medical assistance reimbursement to hospitals. The directed payment program must not modify, reduce, or offset the medical assistance payment rates determined for each hospital as required by section 256.969.

(d) The commissioner must require health plans to make quarterly directed payments according to this section.

(e) Health plans must make quarterly directed payments using electronic funds transfers, if the hospital provides the information necessary to process such transfers, and in accordance with directions provided by the commissioner. The electronic funds transfer under this paragraph must occur within five business days of the date the commissioner issued sufficient payments to the health plan to make the directed payments according to this section. If funds are not paid to the health plans by the commissioner by electronic funds transfer, any directed payment must be made within seven business days of the date the money was actually received by the health plan. The health plan must be considered to have paid the directed payments when the payment remittance number is generated, or on the date the health plan sends the check to the hospital if electronic money transfer information is not supplied.

(f) If a health plan is late in paying a directed payment as required under this section, including any extensions granted by the commissioner, the health plan must pay a penalty, unless waived by the commissioner for reasonable cause, to the commissioner. The amount of the penalty is equal to five percent of the unpaid amount of the directed payment plus five percent of the portion remaining unpaid on the last day of each 30 day period thereafter.

(g) Payments to health plans that would be paid consistent with actuarial certification and enrollment in the absence of the increased capitation payments under this section must not be reduced as a result of this section.

(h) The commissioner must publish all directed payments owed to each hospital from each health plan on the Department of Human Services' website for at least two years. All calculations and reports must be posted no later than the first day of the quarter for which the payments are to be issued.

(i) By December 1 each year, the commissioner must notify each hospital of any changes to the payment methodologies in this section, including but not limited to changes in the directed payment rates, the aggregate directed payment amount for all hospitals, and the hospital's directed payment amount for the upcoming calendar year.

(j) The commissioner must distribute payments required under this section for each hospital within 30 days of a quarterly assessment under section 256.9657, subdivision 2b, being received.

The commissioner must pay the directed payments to health plans under contract no later than January 1, April 1, July 1, and October 1 each year.

(k) A hospital is not entitled to payments under this section until the start of the first full fiscal year it is an eligible hospital. A hospital that has merged with another hospital must have its payments under this section revised at the start of the first full fiscal year after the merger is complete. A closed hospital is entitled to the payments under this section for services provided through the final date of operations.

Subd. 4. **Health plan duties; submission of claims.** Each health plan must submit to the commissioner, in accordance with its contract with the commissioner to serve as a managed care organization in medical assistance, payment information for each claim paid to a hospital for services provided to a medical assistance enrollee. Health plans must allow each hospital to review the health plan's own paid claims detail to enable proper validation that the medical assistance managed care claims volume and content is consistent with the hospital's internal records. To support the validation process for the directed payment program, health plans must permit the commissioner to share inpatient and outpatient claims-level details with hospitals identifying only those claims where the prepaid medical assistance program under section 256B.69 is the payer source. Hospitals must provide notice of discrepancies in claims paid to the commissioner in a form determined by the commissioner. The commissioner is authorized to determine the final disposition of the validation process for disputed claims.

Subd. 5. **Health plan duties; directed payment add-on.** (a) Each health plan must make, in accordance with its contract with the commissioner to serve as a managed care organization in medical assistance, a directed payment to each hospital. The amount of the directed payment to the hospital must be equal to the payment amounts the plan received from the commissioner for such hospital.

(b) Health plans are prohibited from:

(1) setting, establishing, or negotiating reimbursement rates with a hospital in a manner that directly or indirectly takes into account a directed payment that a hospital receives under this section;

(2) unnecessarily delaying a directed payment to a hospital; or

(3) recouping or offsetting a directed payment for any reason, except as expressly authorized by the commissioner.

Subd. 6. **Hospital duties; quarterly supplemental directed payment add-on.** (a) A hospital receiving a directed payment under this section is prohibited from:

(1) setting, establishing, or negotiating reimbursement rates with a managed care organization in a manner that directly or indirectly takes into account a directed payment that a hospital receives under this section; or

(2) directly passing on the cost of an assessment to patients or nonmedical assistance payers, including as a fee or rate increase.

(b) A hospital that violates this subdivision is prohibited from receiving a directed payment under this section for the remainder of the rate year. This subdivision does not prohibit a hospital from negotiating with a payer for a rate increase.

(c) Any hospital receiving a directed payment under this section must meet the commissioner's standards for directed payments as described in subdivision 7.

Subd. 7. **State minimum policy goals established.** (a) The effect of the directed payments under this section must align with the state's policy goals for medical assistance enrollees. The directed payments must be used to maintain quality and access to a full range of health care delivery mechanisms for medical assistance enrollees.

(b) The commissioner, in consultation with the Minnesota Hospital Association, must submit to the Centers for Medicare and Medicaid Services a methodology to regularly measure access to care and the achievement of state policy goals described in this subdivision.

Subd. 8. **Administrative review.** Before making the payments required under this section, and on at least an annual basis, the commissioner must consult with and provide for review of the payment amounts by a permanent select committee established by the Minnesota Hospital Association. Any data or information reviewed by members of the committee are data not on individuals, as defined in section 13.02. The committee's members may not include any current employee or paid consultant of any hospital.

EFFECTIVE DATE. (a) This section is effective the later of January 1, 2026, or federal approval for all of the following:

(1) the amendments in this act to add Minnesota Statutes, section 256.9657, subdivision 2b; and

(2) the amendments in this act to this section.

(b) The commissioner of human services shall notify the revisor of statutes when federal approval for all amendments set forth in paragraph (a) is obtained.

Sec. 4. **[256B.1975] HOSPITAL DIRECTED PAYMENT PROGRAM ACCOUNT.**

Subdivision 1. **Account established; appropriation.** (a) The hospital directed payment program account is created in the special revenue fund in the state treasury.

(b) Money in the account, including interest earned, is annually appropriated to the commissioner for the purposes specified in section 256B.1974.

(c) Transfers from this account to another fund are prohibited.

Subd. 2. **Reports to the legislature.** By January 15, 2027, and each January 15 thereafter, the commissioner must submit a report to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance that details the activities and uses of money in the hospital directed payment program account, including the metrics and outcomes of the policy goals established by section 256B.1974, subdivision 7.

EFFECTIVE DATE. This section is effective on the later of January 1, 2026, or federal approval of the amendments in this act to add Minnesota Statutes, section 256.9657, subdivision 2b. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 5. IMPLEMENTATION OF HOSPITAL ASSESSMENT AND DIRECTED PAYMENT PROGRAM.

(a) By October 1, 2025, the commissioner of human services must begin all necessary claims analysis to calculate the assessment and payments required under Minnesota Statutes, section 256.9657, subdivision 2b, and the hospital directed payment program described in Minnesota Statutes, section 256B.1974.

(b) The commissioner of human services, in consultation with the Minnesota Hospital Association, must submit to the Centers for Medicare and Medicaid Services a request for federal approval to implement the hospital assessment described in Minnesota Statutes, section 256.9657, subdivision 2b, and the hospital directed payment program under Minnesota Statutes, section 256B.1974. At least 60 days before submitting the request for approval, the commissioner must make available to the public the draft assessment requirements, draft directed payment details, and an estimate of each assessment amount for each hospital without an exemption from the assessment pursuant to Minnesota Statutes, section 256.9657, subdivision 2b, paragraph (k).

(c) During the design and prior to submission of the request for approval under paragraph (b), the commissioner of human services must consult with the Minnesota Hospital Association and any hospitals without an exemption from the assessment pursuant to Minnesota Statutes, section 256.9657, subdivision 2b, paragraph (k), and that are not members of the Minnesota Hospital Association.

(d) If federal approval is received for the request under paragraph (b), the commissioner of human services must provide at least 30 days of public posting and review of the federally approved terms and conditions for the assessment and the directed payment program prior to any assessment under Minnesota Statutes, section 256.9657, subdivision 2b, becoming due from a hospital.
